

flickr

To join flickr:

1. Go to www.flickr.com and at the top of the page click on the **sign up** link which will take you to the 'Sign into Yahoo!' form
2. You will need a Yahoo account to use flickr. If you have a yahoo account already, you can log in to flickr immediately. If not, at the bottom of this page click **Create New Account**.
3. Once you have your Yahoo account set up you will now be able to log into flickr

To join The Forgotten Island group:

1. Once you are logged into www.flickr.com, type www.flickr.com/groups/theforgottenisland into the URL bar – this will take you to the group page.
2. Click on **Join Group** to join the group – you will then be able to add your photos.

Adding Images:

To add images to the group you must first upload them to your own flickr photostream

To upload images to flickr:

1. From the main flickr page – not the group page – Click on **Upload**. This will then take you to the steps that you will follow to upload your images.
2. Click **Choose photos and videos** - this should open a new window with the picture folder from your computer. Choose the image you want to upload by double clicking on it. This will then take you to the next window.

3. At this stage you can either add more pictures or finish uploading your images. To add more, click **Add More** (follow step two again) or to continue, click **Upload Photos and Videos**. It will then take a few moments to load your image.
4. At this stage it gives you the chance to add a description. We would love to hear what your image captures in your island visit so feel free to add a caption to your image by clicking **add a description**.
5. This will take you to the next page where you not only add a description but you can also tag your images - if tagging, please use theforgottenisland as one of your tags. Then press **Save**.

Adding images to The Forgotten Island's Group:

1. Click **groups** at the top of the page. As you have already joined The Forgotten Island group, it should appear in your list of groups. Click on **The Forgotten Island**.
2. On the next page, click **add photos**. The images that you have already uploaded to flickr will appear on this page. You can upload 6 images at a time so select your first image(s). The selected images will appear in a grid to the right hand side of the page. Once you have selected as many images as you want to upload at this time, click **add to group**. It will then be sent to me to be checked before being uploaded. You can now either repeat step 3 or scroll through the other pictures to see what other Explorers captured on their visits!

I cannot wait to see what you've captured!!!

The Island Guardian
